Mr. M. Afzal Malbarwala

Managing Director | Galaxy Freight Pvt. Ltd.

Mr. M. Afzal Malbarwala (Managing Director, Galaxy Freight Pvt. Ltd.), the dynamic founder of Galaxy Freight Pvt. Ltd., started with modest beginnings. All he had was a single-table space, his ethos of hard work, and his father, the Late Mr. Tayeb Ismail Malbarwala's invaluable support. Together, they started venturing into logistics and freight transport in 1988 and created a thriving enterprise called 'Speed Cargo Movers'.

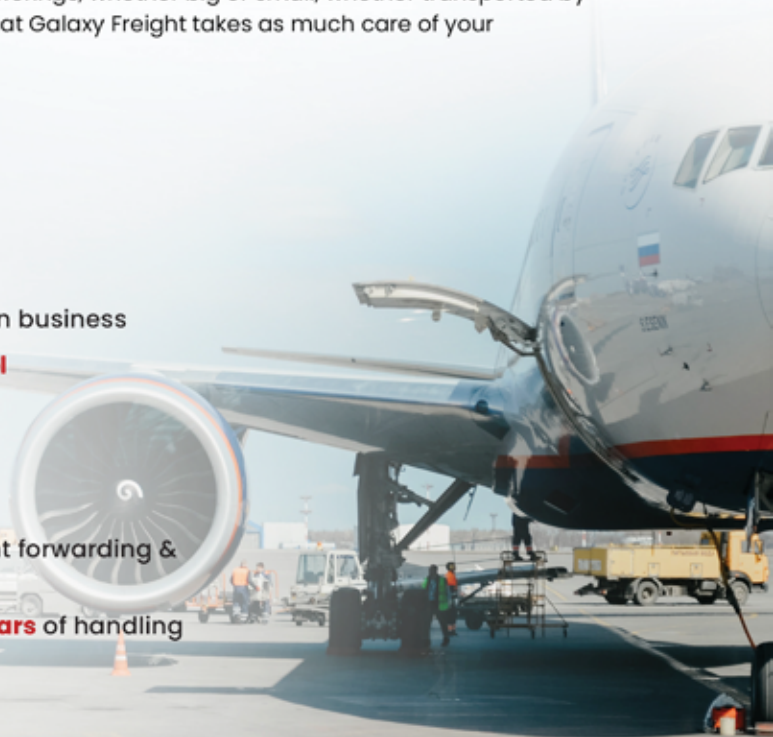

As years went by, their consistent focus and hard work led to the formation of Galaxy Freight Pvt. Ltd. on 06th April 1995.

Today, Galaxy Freight is a full-fledged logistics service provider, offering a broad spectrum of services under one roof. From packing products, delivering them to the end customer, freight management, warehousing, PO management and much more. We continue to be a growing company in India's logistics industry and are expanding our overseas presence now in Dubai, UAE, as well. We have significantly added to our capabilities and expertise over time. Galaxy Freight now employs more than 200+ people across its offices pan India.

At Galaxy, we take pride in going beyond being an ideal freight forwarder to being your logistics partner, creating unique solutions to suit your needs as a customer. Headquartered in Mumbai (India), Galaxy Freight has a well-established network of offices and associates in pan India and across the world. We optimize our service offerings, whether big or small, whether transported by road, rail, air or sea, you can rest assured that Galaxy Freight takes as much care of your cargo as you would.

SERVICES

Galaxy Freight is active in both air and sea freight forwarding, handling inbound & outbound cargo. We uniquely combine local know how & personal customer service with the aim of providing services based on the clients' requirements & schedule.

Over the years, we are proud to have served a broad range of customers across various industries, namely fashion, aviation, pharma, engineering, chemicals, automobiles, oil & gas and FMCG. We handle a wide variety of cargo from flat track containers, open tops, break-bulk & heavy lifts in the ocean, to on board courier, exhibition handling, ship spares, general cargo, perishable, dangerous goods, cold-chain shipments, biological cargo & pharmaceuticals.

Being an IATA approved cargo agent, holding stock of all major airlines and long standing relationships with airlines equips us to suggest quickest and the most economical routes. Our own customs broker license & experienced team of professionals allow us to offer customised services to suit every client's needs. We aim to satisfy the needs of international & local companies alike for first class logistics support from a dependable partner.

Keeping our clients' needs in mind, in the case of samples & small shipments, we offer streamlined courier services within a stipulated time frame. Our association with most reliable service providers, such as FedEx, who have awarded us for outstanding performance, ensures that the customer benefits from easy & timely delivery.
